Proven Results:

Darren Oberst, VP of Industries Solutions webMethods Inc., VA: Softima's expertise in Healthcare and providing quality software services made the company the perfect choice to partner for a joint HIPAA solution.

Dr Vidyashankar Kadur, General Manager, Information Services, Parkway GroupHealthcare Pte Ltd., Singapore: We appreciate Softima's contribution as a SI (Systems Integrator) partner to webMethods and also as a reliable vendor for Parkway Group. We commend their participation and cooperation in the overall implementation of Phase I and Phase II. Our experience working with them has been very smooth and we will be more than happy to recommend Softima as a valuable partner to other Clients.

J. Bailey Nelson, Director, Workforce Management, EDS, Digital Value Chain: Softima is always very responsive to our changing needs and they are extremely flexible in dealing with our staffing needs. Softima has always responded to our requests with a sense of urgency and provided qualified webMethods candidates. We value our professional relationship with them and intend to continue our relationship with Softima as our business continues to grow.

Rajesh Iyer, Senior Director, Vertical Industry Products, webMethods Inc.: Its been a great year for our relationship and with good production success at PNC Bank and a solid HIPAA product for the top 4 transactions. Thanks to your teams for making this happen.
